

Prayer

Loving Lord, we praise and thank you that you call each of us to witness for you. May we always know that we are not alone, that you accompany us and empower us with your Holy Spirit. We pray that our faith may be deepened and our commitment strengthened. May we be strong in our fellowship encouraging and supporting one another.

We pray for the area we serve, and particularly today for every man, woman and child living in today's road, each one unique and precious to you. We lift them up before you with all their hopes and fears, weakness, troubles and joys. Touch their lives dear Lord and may all our efforts bring glory to your name for the sake of Jesus Christ our Lord.

Amen
