## September Message

Dear Friends

It's not unusual to wake in the morning to the news of violence, natural disasters and other events that shake our world and us.

How do we as Christians and a people of faith react to this news?

Do we allow it to bring us down, to spoil the start of a new day or to sigh in utter despair?

We think our world is a mess now at this time... but guess what?

These things have happened in the past and... we have overcome.

Today is our call to act in the face of disaster, violence, putdowns, bullying and refusal to love

Each of us can be the presence of love in the world when we reach out to the neighbour, volunteer our listening ear to the story of another, carry the shopping bag for the lady struggling out of the supermarket, wishing the cashier "have a good day" day and blessing the person who just cut you up in traffic.

Evil things, bad things, are happening all around us these days.

But, we can "love out loudly" with random acts of kindness, joining our voice with others united in a bond of love and standing in the shoes of those lost souls on our streets.

Did you know love is a verb, a "doing word"?

Let us DO LOVE in the ordinariness of our days and

L o L ...love out loudly!

Have a good summer,

Every Blessing,

John T

## Forget-me-not café

10.30am - 12 noon – Friday September 20<sup>th</sup>

Share a hot drink and a biscuit with others who have been bereaved, in St Andrew's parish room (enter through small door at back of church car park), every third Friday of the month.

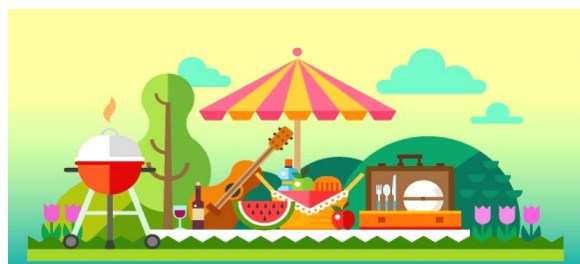

Children are welcome at all our services; and our teaching program for them during the 10.30 services re-starts in earnest in September. Most weeks, they worship as part of the whole church family for the first 15 minutes or so before leaving for their separate activities. Most months, on the second Sunday, in St Andrew's all ages remain in church for a shorter, more interactive, service of worship and learning together. For more details contact our Children & Families' worker Naomi Savage on 07864 127523.

**St Andrew's Hall facilities**

Our existing hall is now over 80 years old and is becoming increasingly hard to keep it in good condition - hardly surprisingly, as it was only ever designed to be temporary building. After careful consideration over several years, the church council has decided to apply for permission to replace it with a new building of comparable size, which would be connected to the church. Further details will be posted on <http://www.churchinthewestlands.org.uk/buildings/> - and will also be available via Newcastle Borough's online planning portal, or their offices; or alternatively by contacting the vicar.
