

Unfortunately all the services, clubs and messy church sessions at Church in the Westlands are cancelled for a while. We'll miss you all but if you would like to keep up to date with our online activities for children and families then let me know or follow our facebook page <https://www.facebook.com/familiesatchurchinthewestlands> There's also a way of sharing faith together as a family especially this Sunday on Mothering Sunday, there's questions and activities below and a fun video of me explaining what to do!

The Bible Story can be found

here <https://www.biblegateway.com/passage/?search=Mark+6%3A45-51&version=NIV>

You will also have to pause the video at each section to do each activity, and don't worry if there is just one adult and one child, it should still work!

If you have any comments or feedback or would simply like a prayer request do let me know on 07864 127523 or reply here

Thank you and God bless

Naomi

Sunday 22nd March

Question: Go round the circle and say two things that you think the mum in your house is amazing at!

Worship: Build a thank you cairn (pyramid shape) with stones outside, or cushions, tins or lego bricks inside. Take 3 each and then place them one by one in the middle of the space, as you go round the circle saying 'Thank you God for...'

Bible Story: Find Mark 6:45-51 in your Bibles or Jesus walks on the water from your Bible story books and talk about the story with questions like these

What do you notice about this story?

Why were the disciples scared?

What are you scared or worried about at the moment?

How can God help us in this?

Have a pray and chat to God about the stuff in your head and ask him to help you and the people around you

Activity: Have a think about how God might want you to help others around you, neighbours, family and friends. you could make a card, or write a story for them (sending new episodes each day!) or make a video to send showing them something you've made, a dance, or a message, You could even play My Lighthouse while you're creating something to remind you how God is with us and gives us strength in difficult times.
